Eternity - J3721

Eternity

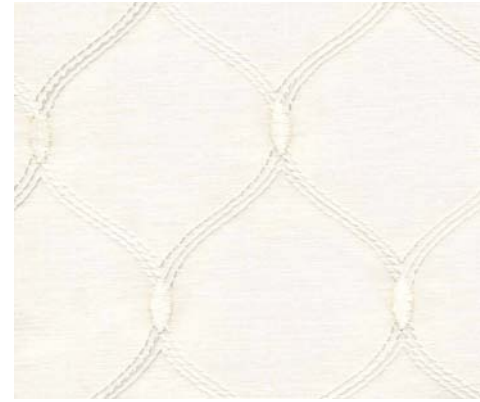

Eternity is a dramatic collection of exciting embroidered organzas and charming crushed sheers that will definitely provide an atmosphere of pure luxury. *Eternity* contains patterns of varying widths ranging from 50/51" & 59" up the roll draperies to 115"/117" & 118" railroaded designs. Since the embroidered organzas do not run entirely from the edge of the selvage to selvage we have made extra efforts to note an embroidered width as well as the actual width on the skus that apply.

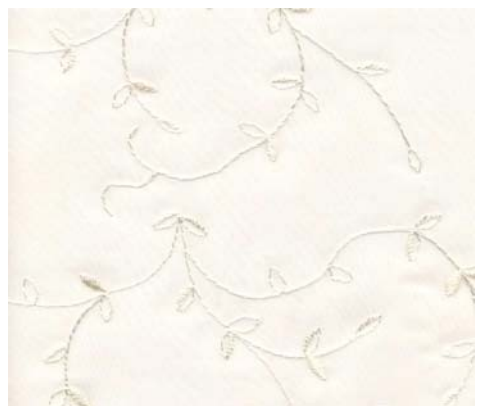

Also note that over half of these draperies pass NFPA 701 which is the North American standard for contract drapery.
