# Escala

Start with a firm foundation and build it up from there!

Sensa has been an unbelievable success for Joanne/J.F. Fabrics. As faux suede continues to increase in importance in the decorative market place, we felt that the addition of **Escala** would take this classic to the next level.

**Escala** is constructed using the same yarns as Sensa, but is woven into a sophisticated narrow wale corduroy effect. This look meets the current trend seen in woman's wear. Note all the corduroy now being shown on the runways! Trendy & Sophisticated...and filled with the same quality that we know and love from our Sensa product. **Escala** will be an important addition to any decorator or manufacturer. **Escala's** color palette of Harvest, Portobello and Ginger is earthy and warm, while Indigo, Pear, Peach & Cranberry are fresh and invigorating.

**Escala** is exclusive to Joanne/J.F. Fabrics for the North American market.
