

JOANNE - J.F. FABRICS

DESIGNER SERIES – JF EXCLUSIVE

Compleat

Exclusive to Joanne/JF Fabrics for North America

Complies with NFPA 701

Compleat is a diversified collection consisting of a pleated reversible plain taffeta and a pleated wide-width two-toned striped taffeta. Both patterns are constructed of 100% Polyester, are fire retardant (conforming to the NFPA 701 standard), washable and pass 15,000 DR Wyzenbeek Cotton Duck. Compleat consists of two patterns with a total of 39 skus and is suitable for drapery, bedding and decorative accessories.

35065 – A pleated reversible plain taffeta offered in 13 colorways. This pattern is sampled on both sides of the fabric in our Compleat book to show each available color options.

35066 – A pleated wide-width two-toned vertical striped taffeta sampled in 13 colorways. This pattern also coordinates with 35065.
